Dear Prospective Donor,

On behalf of St. Mark Lutheran School and Preschool, we would like to offer you an opportunity to support our students by making a donation to our annual auction. We are accepting items, service donations, as well as cash donations to support this special cause. In addition, sponsorship and advertising are available – contact us if that interests you.

Last year, generous contributors helped raise over \$23,000 for our school. This year our goal is to exceed \$25,000. Our dedicated teachers and staff serve 130 students from Preschool to 8th grade. The proceeds from the auction support academic and athletic programs as well as technology and facility enhancements. In addition, a portion of the auction proceeds is specifically dedicated to a tuition assistance program for new and returning students who are struggling in these difficult economic times.

Our auction will be held on April 29th, 2011 at West Michigan Lutheran High School in Wyoming and will have over 200 attendees. For making a contribution to our auction, your business will be listed in our auction catalog, on the St. Mark website, and your item will be displayed at the auction itself.

If you are able to contribute, please fill out the donation form and return it to SMLS in the enclosed envelope with your donation. For your convenience, you may also complete and submit your donation form online at www.stmarkauction.com. We are happy to create certificates or arrange pick up of donations at your place of business as well. Please just indicate this on your form.

Thank you for your consideration,

Melissa Eastland
